

October

Dear Parents and Guardians,

Our new school year has gotten off to a fantastic start. We want to thank all of our parents who came out to our Cookies and Milk Open House. The children loved showing you all of their classroom and friends. We will continue our Fall theme for the remainder of the month and into November. We began our unit talking about Apples and the children have really explored this topic and have learned about who planted the first apple tree, why the apples have different colors, what apples can be used for, and so much more. We will let the children vote on what part of the Fall unit they would like to explore next. We will also have a visit from some new friends from Letterland. We will have a visit with Dippy Duck, Eddy Elephant, Fire Fighter Fred, Golden Girl, and Harry Hat Man.

Beginning next week, October 9th, your child must be to school by 9:20 if you would like for them to eat school breakfast. Also, please remember to place your child's yellow folder in the bucket on top of the cubbies. These changes will help our morning routine run more smoothly.

This month also brings many exciting events and activities for our classroom and school. Our October Family School Partnership Day activity will be a trip to Hillridge Farms. We will meet your family there at 9:00 on Friday October 27th. We will be "Trick or Treating" at school on Monday October 30th. Your child is welcome to wear their costume on this day. Tuesday October 31st is a teacher workday and we will be conducting parent/teacher conferences for our NC-Pre K students. There will be a sign up sheet closer to the date to sign up for a time. FLS will also be holding a parent workshop on behavior management at 1:30 on Wednesday, October 18th. Finally, Friday October 20th will be our early release day for this month. We hope to see you at some, if not all of these events!

Sincerely,
Miss Suzannah and Miss Taylor.
