

KIWIS NOVEMBER NEWSLETTER

We closed out the month of October with some fun pumpkin carving and Trick or Treating around the school and we cannot believe it is already November. The holidays are right around the corner and we could not be more excited. During the month of November the children have been busy learning about all different types of food and of course, Thanksgiving! We've been singing a lot of turkey songs. The children have been learning all about "The Old Lady who Swallowed a Pie." They've also been busy with Ms. Lindsey doing lots of fun art activities. Their favorite so far has definitely been putting kernels of corn (cheerios) on corn stalks. I think it was their favorite because they all loved eating the cheerios 😊 We did a class poll to find out what everyone's favorite fruit was. The two winners were apples and oranges! The children have loved music time with Ms. Paula. Thursdays are always a favorite in the Kiwis! Ms. Jose took the bounce house out for one of our movement classes-it was a major hit. Ms. Lindsey brought in her popcorn maker and the children got to make popcorn. The look on their faces when it was popping out of the machine was priceless! We are ready for Thanksgiving and hope everyone has a very Happy Thanksgiving with family and friends!
