

March Newsletter

March has been another fun month in the Grapes class! All of the students LOVED the Transportation theme and the Community Helpers theme. The firetruck in the pretend play center was a huge hit! All of the students had fun dressing up as firefighters and riding in the firetruck! We had fun on Transportation Day with the Peaches class. We brought many different transportation toys and community helpers themed dress up clothes to the sensory garden. We had a pretend car wash. The kids really enjoyed it! We are starting our Spring unit this week. We will do this for the next two weeks, then start our Bugs unit. I'm sure the kids will love that! :)
